## WELCOME TO SUMMER CAMP 2018

**Enroll your child today for a fun and engaging summer of science and exploration!**

Exciting explorations, delightful discoveries, and wild wonders await your child at the California Science Center's Hands-On Science Camp. Hands-On Science Camp offers weeklong day camps for children in **Pre-K through 10th grade**. Hands-On Science Camp features more than 30 courses investigating **physics, chemistry, biology, space, and Earth sciences**. Camp is staffed with trained educators with degrees in science and/or education and working professionals from a variety of science fields.

Hands-On Science Camp takes place in the **Wallis Annenberg Building for Science Learning and Innovation**, which houses cutting-edge classrooms and the Big Lab, a 32,000-sq-ft learning environment containing four major experimentation platforms for investigation and exploration.

Campers also explore the **California Science Center** where they experience the wonders of science through interactive exhibits and live demonstrations in three hands-on galleries: **Creative World, Ecosystems, World of Life**, and our newest exhibit experience, the **Samuel Oschin Pavilion** featuring **Space Shuttle Endeavour** and **ET-94**, the world's last remaining flight-qualified space shuttle **External Tank**.

## ENROLLMENT

**Members:** February 20, 2018

**Non-Members:** February 26, 2018

**Scholarship Applications:** March 5, 2018

## SCHOLARSHIPS

Hands-On Science Camp scholarships are generously provided by donors including the AS&F Foundation, Rob and Joan Blackman, the Ibrahim El-Hefni Technical Training Foundation, Hitachi, Laird and Rebecca Malamed, the Robert and Lisa Margolis Family Foundation, the Renken Family Science Camp Endowment, the Sidney Stern Memorial Trust, and THE MUSES of the California Science Center Foundation. We welcome you to join us and make a gift of science learning by providing scholarship opportunities to children and youth in need. For more information about eligibility, or to make a contribution to the Hands-On Science Camp scholarship fund, please call **213.744.7444**.

# LITTLE LEARNER PROGRAMS (PRE-K)

Explore the scientific wonders of the world with your child! Our parent-and-child classes focus on a scientific theme with exciting hands-on activities and crafts. Each fee covers one Pre-K child (age 3 to 4)\* and one parent or "big buddy" (18 years and older). Additional adults or campers must register separately at the full fee.

*\*Campers must be age three by the start of class.*

## ME, MYSELF, AND I

Look at yourself from the inside out. Take an adventure through your body and learn all about the parts that make you YOU! Become the subject as you investigate everything from your five senses to the sound of your own heart. You'll get to visit Tess, our 50-foot body simulator, along with her cartoon pal, Walt!

JULY 9 - JULY 13 12:30PM - 2:30PM

JULY 16 - JULY 20 9:00AM - 11:00AM

**\$165 MEMBERS | \$180 NON-MEMBERS**

## CHEMYSTERY

From the kitchen to the laboratory, reactions happen all around us! Join us as we try to solve different CHEM-mysteries. Make soda explode, experiment with slime, and explore the differences between physical and chemical reactions.

JULY 16 - JULY 20 12:30PM - 2:30PM

JULY 23 - JULY 27 9:00AM - 11:00AM

**\$165 MEMBERS | \$180 NON-MEMBERS**

## GOOD VIBRATIONS

Want to be a musician and your parents don't approve? Come join our band...of scientists of course! Build your own instruments and explore the importance of sound for survival and communication. Plunk! Rattle! Bang! Let's get rocking!

JULY 9 - JULY 13 9:00AM - 11:00AM

JULY 23 - JULY 27 12:30PM - 2:30PM

**\$165 MEMBERS | \$180 NON-MEMBERS**

# KINDERGARTEN PROGRAMS

## **NEW** OVER REACTING

Bubble, fizz, and POP! Everyone is a scientist in this course. Learn about the different tools used for mixing and changing chemicals. Make reactions that are colorful, slimy, and explosively over the top, and find out how and why they happen. Campers will make their very own Slime, Gak, and even fake snow!

JUNE 18 - JUNE 22 12:30PM - 3:00PM

JULY 9 - JULY 13 9:00AM - 11:30AM

JULY 23 - JULY 27 12:30PM - 3:00PM

**\$165 MEMBERS | \$180 NON-MEMBERS**

## **NEW** CELL-FIE

Unleash your inner scientist and take a journey through the human body. Get your stethoscopes and gloves ready for this adventure to discover what makes you unique. Explore your different body systems and discover how your bones, muscles, and organs work together inside your body. You won't need a "CELL" phone in this class to look inside your self!

JUNE 18 - JUNE 22 9:00AM - 11:30AM

JULY 9 - JULY 13 12:30PM - 3:00PM

JULY 23 - JULY 27 9:00AM - 11:30AM

**\$165 MEMBERS | \$180 NON-MEMBERS**

## **INGENIOUS ENGINEERS**

Engineer, we have a problem here! Put your problem-solving skills to the test and see which solution works best. Campers will use simple classroom materials to build structures, toys, and other crazy contraptions as they bring their imaginations to life!

JUNE 11 - JUNE 15 12:30PM - 3:00PM

JUNE 25 - JUNE 29 9:00AM - 11:30AM

JULY 16 - JULY 20 12:30PM - 3:00PM

JULY 30 - AUGUST 3 9:00AM - 11:30AM

**\$165 MEMBERS | \$180 NON-MEMBERS**

## **JUNIOR BIG LAB SCIENTIST**

Let's go explore science! Ecosystems, polymers, air pressure, kinetic energy... What on Earth do these words mean? Learn all this and more as you investigate basic science concepts in our Big Lab.

JUNE 11 - JUNE 15 9:00AM - 11:30AM

JUNE 25 - JUNE 29 12:30PM - 3:00PM

JULY 16 - JULY 20 9:00AM - 11:30AM

## UNDER CONSTRUCTION

Structures, circuits, and things that go. Build them all yourself. Let's go! Join us on an adventure to explore the world of engineering. Create models, build structures, and even make a marble maze using everyday materials. Test your new engineering creations against earthquakes, floods, and other natural disasters. Will they survive what nature throws at them?

JUNE 11 - JUNE 15	9:00AM - 11:30AM

## SCIENCE EXPLORERS

Discover the endless possibilities of science by conducting different experiments every day. Learn about the solar system, make a ball fly with air pressure, drop a parachute from our MEGA tower, and see how animals adapt to their environment by visiting our Discovery Rooms. Let's go on an adventure to explore science!

JUNE 11 - JUNE 15	9:00AM - 11:30AM
JUNE 18 - JUNE 22	12:30PM - 3:00PM
JUNE 25 - JUNE 29	9:00AM - 11:30AM

## BIOLO-GEE WHIZ **FULL DAY**

What does your brain really look like? How does your circulatory system work? You'll find the answers to these questions and more as you explore human anatomy. Delve into the medical industry, and learn how various organs function by dissecting fetal pigs. By the end of the week you will earn your M.D. certificate—Museum Doctor, that is!

## **NEW** SEAS THE DAY **FULL DAY**

Whale hello there! With so much of our world covered in water, join us on an adventure to explore the life inside it. Come on this marine biology tour and learn about the efforts that scientists are making to keep our oceans healthy. Experiment with water quality testing, dissect marine animals, and work with our Living Collections team to help us take care of our animals in the Kelp Forest.

## **NEW** DESIGN STUDIO **FULL DAY**

Calling all civil engineers! Delve into the world of design and create a bridge out of everyday materials to help you cross our Big Lab pool. Experiment with the engineering design process as you create structures of varying sizes that can endure earthquakes. Learn the the basics of civil engineering and see how these concepts are being used around the city.

## SKATE SCIENCE **FULL DAY**

Carve out time this summer to explore the mechanics of skating. Put your "goofyfoot" forward as you dissect ollies, vert skating, and all the other physics of fun on wheels. We'll highlight engineering as you design, build, and decorate your own customized skateboard that will be yours to keep.

JUNE 25 - JUNE 29 9:00AM - 3:00PM

**\$330 MEMBERS | \$360 NON-MEMBERS**

## WORKING IN SPACE **FULL DAY**

Find out what it takes to live and work in space! Dive deep into weightlessness and carry out a mission underwater in a swimming pool to learn how astronauts train. Find out different methods to study objects in space and uncover the costs involved with space exploration. This class is taught by California Science Center Curators and Educators.

*\*This class may require a physicians signature before the start date of the class to have the students participate in an underwater diving experience.*

# PARENT INFORMATION

## CONFIRMATION LETTER

A confirmation letter will be emailed within 2-3 business days of receiving your completed enrollment request and payment. A parking pass will be provided with your confirmation letter. The parking pass will allow you free parking for 15 minutes during pickup and drop-off. If you would like to request a confirmation letter via postal mail or did not receive one, email your request to [summersciencecamp@cscmail.org](mailto:summersciencecamp@cscmail.org) or call **213.744.7444**.

## SCHOLARSHIPS

A limited number of scholarships are available to qualifying families. For more information about eligibility, or to make a contribution to the camp scholarship fund, please call **213.744.7444**.

## YOUNG CURATORS

The Curator Kids Club is now the Young Curators. Young Curators is open to middle school students entering 7th or 8th grade who live within five miles of the California Science Center. Eligible students are invited to apply for two weeklong scholarships for Hands-On Science Camp, where they can pick two full-day camp classes to attend. Family and friends of California Science Center Young Curators will be invited to four exclusive educational programs throughout the school year. For more information about eligibility, please call **213.744.7444**.

## HOW DO I CREATE A FULL-DAY PROGRAM IF MY GRADE LEVEL ONLY OFFERS HALF-DAY COURSES?

Two half-day programs can be combined to create a full day. A supervised lunch period is included when enrolling for a morning and afternoon class. Lunch will not be provided by the California Science Center Foundation. Campers must bring their own lunch for full-day classes. Snacks and water are recommended. Please refer to the Course Calendar on page 14 for more information.

## CANCELLATION POLICY

Refunds are permitted up to 14 days prior to the start of your camper's session. A \$25 processing fee will be subtracted from the refund. No credits or refunds will be given for cancellations in the two weeks prior to the start of your Camp session. In the event that a class is cancelled by the California Science Center

Foundation, we will make arrangements for your child to enroll in another class or refund your money.

## CHANGES

Class changes must be made 14 days in advance. A \$25 processing fee will be charged for each change made to your reservation(s). There is no guarantee that space will be available in another class and no cash refunds or credits will be given after the 14-day cutoff.

## DAY OF CAMP

### FIRST DAY OF CAMP

On the first day of camp, parents, guardians, or authorized adults will need to walk camper(s) to the Big Lab inside the Wallis Annenberg Building. Parents, guardians, or authorized adults will need to check in with Camp Instructors and confirm correct name spelling, emergency phone numbers, health history, and authorized adults for pickup.

#### *Parking*

Please leave your parking pass on your dashboard each day of class. It will allow you free 15-minute parking for pickup and drop-off. Parents wishing to stay on site must pay a \$12 daily parking fee. Pre-K parents or "big buddies" are required to participate in the class, and special parking instructions will be provided in the confirmation letter.

### DROP-OFF AND PICKUP

#### *Drop-Off*

On MONDAY mornings, parents/guardians must PARK in the main parking lot and walk to the Wallis Annenberg Building to check in their camper(s). For a map of the grounds, go to [californiasciencecenter.org](http://californiasciencecenter.org). TUESDAY - FRIDAY, parents/guardians must DROP OFF their camper(s) under the United airplane off FIGUEROA BLVD. and STATE DR. Parents/Guardians arriving late must park in the main parking structure and walk their camper into the Wallis Annenberg Building.

#### *Pick up*

Camper(s) must be picked up at the end of the program each day. PARK in the main parking structure and walk to pick up camper(s) on the steps of the Wallis Annenberg Building.

# EXTENDED DAY PROGRAM

## FOR KINDERGARTEN-10TH GRADE CAMPERS

Campers taking a full-day class or both morning and afternoon classes can sign up for the Extended Day Program. This program allows you to drop off your children at 8:00AM (one hour before class begins) and pick them up at 5:00PM (two hours after class ends). The Extended Day Program includes creative and fun group activities led and supervised by Camp staff. Snacks for the afternoon will be provided. You must register for the entire week—no single days are offered.

## MEMBERS SAVE!

Join today and support science learning for everyone! Not only will you receive a discount on your classes, but you'll enjoy a year of great opportunities including free IMAX tickets, special discount offers, and exclusive Science Center experiences for Members only!

## Joining Is Easy

To become a new Member or renew your current Membership, just fill out the Membership area of the registration form on page 18 and include your Membership payment along with your Camp fee. For more details about the benefits and levels of Membership, call **213.744.7504** or visit **[californiasciencecenter.org/support/join](http://californiasciencecenter.org/support/join)**

To ensure the safety of campers, we require that all students be dismissed by the instructor only to parents, guardians, or authorized adults. Campers will not be allowed to meet parents outside of the pickup area.

## SNACKS AND LUNCH

Lunch will not be provided by the California Science Center Foundation. Camper(s) must bring their own lunches if taking a full-day class or two half-day classes. Snacks and water are recommended. Camper(s) will not be allowed to purchase lunch in or around the Science Center. During lunch time, campers will be supervised by Camp staff and taken to their next class. Parents do not need to pick up their camper for lunch if their camper is attending camp for a full day.

## SUMMER CAMP RULES

In order to ensure a safe and fun environment for each camper, we ask that you read through the following Camp rules with your child. The rules are designed to guarantee the positive learning experience and environment that every child deserves.

Please be respectful of other campers and staff. All campers and staff deserve to be treated with respect and kindness. No verbal or physical abuse will be allowed (examples: fighting, name-calling, and making fun of other campers).

The Hands-On Science Camp staff are there to reinforce the safety and fun of each camper by ensuring the rules are followed.
