The California Science Center, conveniently located in the heart of Exposition Park, just south of Downtown Los Angeles, is a premiere event destination location. Whether you choose to host a private event before or after the Center’s public viewing hours, you and your guests will enjoy a one-of-a-kind experience—rivalled by no other!

The mission of the California Science Center is to stimulate curiosity and inspire science learning in everyone by creating fun, memorable experiences. To further this mission our dedicated event staff will be delighted to assist in full planning and execution of your truly memorable event. By hosting an event at the Science Center, you will be assisting us with our free general admission policy and our world-class exhibit and educational programs.

Imagine you and your guests surrounded by our 188-thousand gallon Kelp Forest tank or captivated by Space Shuttle Endeavour! We offer these unique venues and many more to support your corporate, non-profit or social event ranging from two people to thousands.
The California Science Center extends convenient one-stop shopping for your unique event needs. Within our five distinct venues we can accommodate up to 10,000 guests, all while offering you a curated list of excellent caterers, convenient on-site parking, full-service event managers, private access to our permanent and temporary exhibits, and complimentary use of available in-house equipment.

FULL-SERVICE EVENT PLANNING
Looking for the ultimate out-of-this-world event experience? The Samuel Oschin Pavilion is the current home of the iconic orbiter, Space Shuttle Endeavour. Guests may enjoy cocktails and/or dinner directly under the wings of this national treasure. Dazzle your guests with the crown jewel of our permanent collection which traveled to space and back twenty-five times!

Home to our Living Collections, this venue boasts eight interactive galleries to engage your guests. From our 188,000-gallon kelp forest tank, to our thirty-foot long touch tank and immersive shark tunnel, our ecology-focused exhibits highlight the delicate balance between plants, animals and people. Guests will unearth the wonders of our planet while learning to be good stewards of our environment in a beautifully appointed event setting.

Located in Disney Science Court, our SKETCH Foundation Gallery offers an opportunity to explore our unique collection of Air and Space artifacts and hands-on activities. Your guests will discover how humans design aircraft, spacecraft and space probes while enjoying cosmic cocktails and appetizers. This venue is the ideal pre-function reception space, featuring authentic space capsules from the Mercury, Gemini and Apollo space missions, before heading off to dinner under Endeavour. This venue also includes two permanent exhibit galleries—World of Life and Creative World.

This atrium venue is the stately entrance to the Science Center's Howard F. Ahmanson Building. It is the ideal companion for events held in Disney Science Court. Additionally, this location is adjacent to two outdoor venues—the north patios, offering views of the historic Exposition Park Rose Garden and Robert H. Lorsch Family Pavilion.

Standing: 1,000
Seated: 650
Theater: N/A
Sq Ft: 9,000
Conveniently located on the first floor of our Howard F. Ahmanson Building, this multi-functional “black-box” venue is available both during the day and evening. The Loker Conference Center can be divided into two to four breakout spaces for conferences or used as one large space for events—a gala dinner, grand nightclub, trade show or presentation. The entire room is equipped with built-in AV.

Venue available beginning in early 2019, after third-party exhibit closes.

Standing: **800**  
Seated: **550**  
Theater: **720**  
Sq Ft: **7,500**
The perfect outdoor companion venue to J. Howard Edgerton Court—with stationary seating and stunning views of the historic Rose Garden, this area is perfect for al fresco cocktails. Only available in conjunction with J. Howard Edgerton Court.

Standing: 500  
Seated: 500  
Theater: N/A

Includes stationary picnic seating—furniture is not removable.

HOWARD F. AHMANSON NORTH PATIOS

Experience the sharpest, brightest, and most vivid digital images ever produced! Coupled with IMAX’s next-generation 12-channel surround sound system, IMAX® with Laser will draw you into the action like never before. Our 7-story screen is perfect for theatrical or TV screenings (IMAX® format or not), premiers or corporate presentations. Pair with another venue and have your entire event in one unique, memorable location.

IMAX® is a registered trademark of IMAX Corporation.
The Wallis Annenberg Building is our only venue not open to the public, and as such, has the opportunity for earlier load-in. It is a transformed early 20th-century armory featuring an indoor/outdoor experimental space called the Big Lab, and a smaller conference room, the Erteszek Family Foundation Muses Room.
This unique venue hosts a reflective pool, wind wall, and bamboo garden with pond. It's the perfect, highly “green” venue for large guest experiences.

*Available from April through November – dependent on weather.
