Located three miles from downtown Los Angeles, the California Science Center is a premiere destination for hosting private social, non-profit and corporate meetings and events. We specialize in offering stellar experiences in unique and versatile venues that are destined to inspire your guests. Whether considering dining under the majestic wings of the space shuttle Endeavour or enjoying cocktails and hors d’oeuvres in view of our 188,000 gallon aquarium, you can rely on our experienced and creative team of event professionals and catering partners to assist you in creating stunning events that are expertly executed. From an intimate setting for 40 to an extravaganza for 4,000, at the California Science Center, we have events down to a science!
Looking for the ultimate out-of-this-world event experience? The Samuel Oschin Pavilion is the current home of the iconic orbiter, Space Shuttle Endeavour. Guests may enjoy cocktails and/or dinner directly under the wings of this national treasure. Dazzle your guests with the crown jewel of our permanent collection which traveled to space and back twenty-five times!
ECOSYSTEMS GALLERIES

Home to our Living Collections, this venue boasts eight interactive galleries to engage your guests. From our 188,000-gallon kelp forest tank, to our thirty-foot long touch tank and immersive shark tunnel, our ecology-focused exhibits highlight the delicate balance between plants, animals and people. Guests will unearth the wonders of our planet while learning to be good stewards of our environment in a beautifully appointed event setting.

Our SKETCH Foundation Gallery, located in Disney Science Court, offers an opportunity to explore our unique collection of Air and Space artifacts and hands-on activities. Your guests will discover how humans design aircraft, spacecraft and space probes while enjoying cosmic cocktails and appetizers. This venue is the ideal pre-function reception space, featuring authentic space capsules from the Mercury, Gemini and Apollo space missions, before heading off to dinner under Endeavour. This venue also includes two permanent exhibit galleries - World of Life and Creative World.
J. Howard Edgerton Court

This atrium venue is the stately entrance to the Science Center’s Howard F. Ahmanson Building. It is the ideal companion for events held in Disney Science Court. Additionally, this location is adjacent to two outdoor venues—the north patios, offering views of the historic Exposition Park Rose Garden and the Robert H. Lorsch Family Pavilion.

Standing: 1,000
Seated: 650
Theater: N/A
Sq Ft: 9,000
The Loker Conference Center can be divided into two to four breakout spaces for conferences or used as one large space for events—a gala dinner, grand nightclub, trade show or presentation. The room is equipped with basic built-in AV.
The Lorsch Family Pavilion is the perfect science-inspired outdoor location, adjacent to our state-of-the-art IMAX® with Laser Theater. This al fresco setting is ideal for cocktail receptions and after-screening gatherings.

IMAX® WITH LASER

Experience the sharpest, brightest, and most vivid digital images ever produced! Coupled with IMAX’s® next-generation 12-channel surround sound system, IMAX® with Laser will draw you into the action like never before. Our 7-story screen is perfect for theatrical or TV screenings (IMAX® format or not), premieres or corporate presentations. Pair with another venue and have your entire event in one unique, memorable location.

The Wallis Annenberg Building is our only venue not open to the public, and as such, has the opportunity for earlier load-in. It is a transformed early 20th-century armory. The Big Lab is an indoor/outdoor experimental space featuring a reflective pool, wind wall, and bamboo garden with pond. It’s the perfect, highly “green” venue for large guest experiences.

Standing: **1,000**  
Seated: **550**  
Theater: **900**  
Sq Ft: **10,000**

*Available from April through November—dependent on weather.*
ERTESZEK FAMILY FOUNDATION MUSES ROOM

This conference room is located in the Wallis Annenberg Building. With available daytime hours, the Muses Room overlooks the historic Exposition Park Rose Garden and features climate control and a built-in audio visual system. It is the ideal venue for staff retreats and other non-profit functions.

Standing: **300**
Seated: **200**
Theater: **300**
