Your health and safety are our priority

All Discovery Ball guests must follow the most current public health mandates for events. At the time of this publication, this includes: proof of full COVID-19 vaccination* or a negative COVID-19 viral lab test** taken for guests 2 years of age and older; valid ID for guests age 18 and over; and face masks required for everyone age 2 and over, regardless of vaccination or testing status, when not actively eating or drinking in designated areas.

*Fully vaccinated against COVID-19 is two weeks or more after receiving the second dose in a 2-dose series or two weeks or more after receiving a single-dose vaccine.

**Both PCR and antigen lab tests are acceptable for pre-entry negative COVID-19 viral testing. An antigen test must be conducted within one day of entering the Discovery Ball on May 7 and a PCR test must be conducted within two days prior to entry.

We reserve the right to update these requirements in response to the evolving conditions of the pandemic and the prevailing public health mandates. Please refer to our website at californiasciencecenter.org/gala for the most up-to-date information including acceptable masks.
